## ISAM-CSAM 2020 Abstract Deadline Extended

To encourage new research findings, we have extended our poster submission deadline to August 1, 2020

**Calgary, Alberta (June 16, 2020)** — ISAM-CSAM 2020 Conference Co-Chairs Jennifer Brasch and Nady el-Gubaly announced today that the submission deadline for electronic posters has been extended until August 1, 2020.

The organizations welcome abstracts for new research findings on all aspects of addiction. This extension applies to everyone. Students and young investigators are especially encouraged to submit.

“It is our goal to deliver a conference with as much new information and data as possible,” Conference Co-Chair Jennifer Brasch said.

“We look forward to hosting a program that gives leading experts in addiction medicine an opportunity to share their work, discuss challenges and present the latest in science and research.”
