myRecovery

This is a free social networking community and resource center for those in alcohol and drug addiction recovery. Similar to other social networking community sites such as Facebook, myRecovery offers a full profile system with a real time "wall", the ability to

add photos and videos, and the option for people to display as much or as little information about themselves as they wish, including full anonymity. There is also a live public video chat as well as an open forum section where users can post on a number of topics. Members can also create their own groups. myRecovery has a resource section with recovery tools including a large repository of addiction-related videos and audio files, a comprehensive 12-step meetings search to help people find meetings in their area, a live online video meetings section, a recovery blog, latest news on addiction and an assessment section.
