

## Standards Committee

September 9, 2020 – 5:00pm MST

---

### **Minutes**

Present: M. Willows    M. Ghosh    B. Hebert (recorder)

Call To Order: 5:02pm – M. Willows

#### **1. Certification**

- M. Willows went over the current criteria and guidelines to become CSAM certified
  - Change line “a personal statement outlining your **current** experience”
- Question to the CSAM office – Is there any discussion or plan to consider accepting passage of the American Society of Addiction Medicine (ASAM) board exam administered by the American Board of Preventive medicine (ABPM) (with associated board certification in addiction medicine through ASAM) as an alternative to the ISAM exam?
  - Would not be credentialed until they come to Canada
  - Anyone who is coming must demonstrate their practice in the addiction field
  - M. Willows will make a motion at the next CSAM BOD meeting to include this exam in the CSAM certification criteria
- AFP Exam – once M. Ghosh hears about the approval the standards committee will meet again to revise the certification criteria
